

COLDS AFFECT THE KIDNEYS

Many Norwich People Have Found This To Be True.

Are you wretched in bad weather? Does every cold settle on your kidneys? Does your back ache and become weak? Are urinary passages irregular and distressing?

These symptoms are cause to suspect kidney weakness. Weakened kidneys need quick help. Doan's Kidney Pills are especially prepared for weakened kidneys. Norwich people recommend them.

C. M. Perry, R. F. D. No. 7, Norwich, Conn., says: "I think my kidney trouble was brought on by an injury. I had a great deal of pain in my back, especially if I attempted to stoop, and mornings in arising I was lame and sore. If I caught cold it was sure to make my trouble worse. One of my relatives had used Doan's Kidney Pills with good results, and when he advised me to try them I procured a box. This remedy acted directly on my kidneys relieving the pains in my back and benefiting me in every way. I can now sleep well and I do not have that tired feeling in the morning. I still take Doan's Kidney Pills occasionally and consider them an effective kidney remedy."

RHEUMATIC SUFFERERS ASTONISHED.

RHEUMA Acts on Kidneys, Liver and Blood the First Day—and Out Goes Uric Acid Poison

Anybody can afford to pay 50 cents to get rid of terrible Rheumatism, Sciatica or Gout, and that's all RHEUMA costs at The Lee & Osgood Co., and they say if it doesn't do all that is claimed for it, money back.

It's wonderful how speedily this simple remedy takes hold and how the sore muscles lumber up and the swollen joints come down to normal. Make no mistake—RHEUMA costs but little, but it's the best remedy you can find to drive Rheumatic poison from the system and bring back health to misery-racked bodies.

"I had Rheumatism for a long while and tried many medicines, but was not cured until I used RHEUMA. I can now praise RHEUMA too highly. My advice to those suffering from Rheumatism is to use this great remedy, as I believe it will effect a permanent cure in any case."—C. B. Latham, Sattles, W. Va., April 27, 1912.

Only two men were needed at last accounts to make up the required number.

Fine Stretch of Road.

The new section of state road from Attawaugan to the Putnam town line is now open and in use, giving a fine highway all the distance from Danielson to Putnam. The road is well built, but needs an oil treatment such as has been given other state roads hereabouts and needs it at once.

heavy travel from here to Putnam on Sunday afternoon, this, applying to automobile traffic, but fortunately no real accident occurred. The Connecticut company had a great day's business. One conductor told of having 212 people on his car, an open one with seating capacity for 90, on one trip, and this was only a sample of the way the crowds were jamming every car that ran over the line. Six cars in a string were run out of Danielson on one of the early afternoon trips, every one of them crushed full, and as many more people waiting for a chance to get a car.

A Risky Joke.

George Heneault, of Maple street, was subjected to a fake holdup while he was crossing the foot bridge over the Assawugua river, near the state armory. He admits that he did not relish the experience and that he might have shot one of his joking friends had he happened to have a revolver in his possession at the time.

CARNEGIE GAVE HALF.

With a firm of builders at Nyack, N. Y., the order has been placed for the new organ to be installed in the Methodist church in this city. The organ is to cost about \$1,500, probably a little more than that, and the assurance is given that it will be one of the finest instruments in the churches in this part of eastern Connecticut.

A great amount of consideration has been given the arrangement of the instrument by musicians of note, including Organist George H. Ryder and Rev. F. L. Flocken, Pawtucket, formerly of Williamette and it is believed that the arrangement agreed upon will be a very satisfactory one. Rev. Mr. Flocken has had much experience with church organs and he has given valuable advice and suggestions relative to the one for the local church.

The organ is to be delivered, placed and made ready for use by October 15, when a grand recital will be given.

Half of the fund for the organ was pledged by Andrew Carnegie, members of the church subscribing the other half, about \$750.

BISHOP NILAN PLEASED.

Praises All Who Made Sunday's Demonstration Such a Success.

Rev. J. J. Nilan was delighted over the fine showing made here Sunday afternoon by the Holy Name organizations of the county and particularly with the efforts expended by the priests of St. Mary's church and the committees in charge in achieving such a splendid success. Members of St. Mary's parish are expressed appreciation of what was done by citizens of all denominations in the way of decorating homes and buildings along the line of march.

No Superior Court Sessions.

There are to be no sessions of the superior court here this week. Judge M. A. Shumway, who has been hearing cases in Windham county the past few weeks, is trying cases in Tolland county, at Rockville this week. Next week cases are assigned for trial in the superior court at Putnam.

Recent Marriage Returns.

Returns at the office of the town clerk show the following marriages here recently, all out of town couples: Harry, Howarth, 34, and Florie Sugden, 24, both of Worcester; Anna Walsh, 20, Marlin Comerford, 24, both of Dorchester, Mass.; James E. Nugent, 24, Alice Brerly, 21, both of Worcester; James E. Holden, 35, Fannie M. Wheeler, 38, both of Worcester; Edward Nicholson, 29, Eva Lucy Buiman, 34, both of Worcester; William H. Darling, 32, Pomfret, and Florence R. Whitehead, 19, Spencer, Mass.

Not Greatly Disappointed.

Hotel proprietors in Putnam, as a general rule, are not much disappointed because the bill allowing them to serve guests with liquors on Sundays did not become a law. In the first place, the local proprietors were not particularly enthusiastic over the opening hours provided for in the bill, and in the second place the fee named for a Sunday license was so high as to indicate that there would not be a great deal of profit here in doing a Sunday business, though all of the proprietors were not agreed on this point.

Matters Talked About.

Putnam people are interested in the announcement that the town of Web-
